Education

Degree	Year	Institute	Percentage/CGPA
B.Tech - Computer Science and A.I.	2020-2024	Netaji Subhas University of Technology, New Delhi	7.36 CGPA
Class XII (CBSE)	2020	Delhi Public School, Dwarka	93 %
Class X (CBSE)	2018	Delhi Public School, Greater Noida	91 %

Skills

- C++
- Python
- Data Structures
- Algorithm
- Flutter
- Dart
- HTML
- JavaScript

Projects

1. Expense Planner App (Flutter/Dart)

- Designed a **working prototype** of an app which tracks personal expenses.
- Expenses over the week days are displayed in the form of a **graph**.
- Used **stateless** and **stateful** widgets on multiple occasions to make the app interactive.
- Works on both **Android** and **iOS** devices.
- https://github.com/shas-hank7/Expense_Planner.git

2. Video Streaming Platform (HTML, CSS, JS, Video.JS, PHP, MySQL)

- Implemented all the features of a traditional Video Streaming Platform including a dedicated Video Player using **Video.JS** and all **Login Security Protocols**.
- Front-end was designed using multiple frameworks such as **Bootstrap**.
- Used **PHP** for the back-end.
- Database was designed using **mySQL**.

3. Other Websites

- Worked in team to design and implement a website for **Vertex Aviation, Gurgaon** and **Moksha'22**
- Link: <http://www.vertexaviations.com>
- Mostly worked on the **front-end**.

Achievements

- Achieved a Global **Rank 8** in CodeChef January Challenge.
- Current CodeChef **Rating – 1787** (ID: https://www.codechef.com/users/shas_hank).
- Hosted a hackathon, '**FINTECHSTICO 22**' on Dare2Compete with 500+ registrations.
- Made **4** valid PRs in Hacktoberfest 2021.

Positions of Responsibility

Finance and Economics Society, NSUT

- **Head of Design**, Consilium'22: Headed a team of **20+** members, designed and created **25+** promotional videos and posters for the **Annual Business Conclave of NSUT**.
- **Head of Design**, Moksha'22: Headed a team of **15+** members to design **50+** promotional animations, videos and posters for the **Annual Cultural Festival of NSUT**.
- **Event Head**, Fintechstico'22: Headed a team of **36+** members to organize a **Competitive Programming Hackathon** on Dare2Compete (500+ registrations).
